Exhibiting at ADANI

Demonstration at ADANI Corporate House

Fire Service Week is such an important initiative for raising awareness about fire safety and emergency response.

AAAG India takes immense pride in participating in the Fire Service Week at ADANI Corporate House.

Exhibiting at ONGC

On April 17, 2024, we had the opportunity to showcase firefighting technologies, including drones, at ONGC Avani Bhavan as part of Fire Service Week. It was a great platform to demonstrate our innovations and contribute to fire safety awareness.

Demonstration at ONGC

It was great to connect with the enthusiastic minds and witnessing their excitement for the latest tech like Firefighting Drone during the event.
